(located in the back of the Worship Center)

THIS WEEK'S SERMON:
"The Heart of the Gospel"

Luke 4:14-21

Rev. Amy Greene—*Director of Spiritual Care Metropolitan Ministries*

THE ANTHEM:

THE LILY OF THE VALLEY

Words by Charles Fry

Verse 1

I have found a friend in Jesus, He's everything to me,
He's the fairest of ten thousand to my soul;
The Lily of the Valley, in Him alone I see All I need
to cleanse and make me fully whole. In sorrow
He's my comfort, in trouble He's my stay; He tells
me every care on Him to roll.

Refrain: He's the Lily of the Valley, the Bright and
Morning Star, He's the fairest of ten thousand to
my soul.

Verse 2

He all my grief has taken, and all my sorrows
borne; In temptation He's my strong and mighty

tow'r; I have all for Him forsaken, and all my idols
torn From my heart and now He keeps me by His
pow'r. Though all the world forsake me, and Sa-
tan tempt me sore, Through Jesus I shall safely
reach the goal.

Refrain

Verse 3

He'll never, never leave me, nor yet forsake me
here, While I live by faith and do His blessed will;
A wall of fire about me, I've nothing now to fear,
With His manna He my hungry soul shall fill. Then
sweeping up to glory to see His blessed face,
Where rivers of delight shall ever roll.

Refrain

United Methodist Church

Mission Statement

Love God, Love Others, Love All to Jesus

VISION STATEMENT: *We strive to be a loving, and open family experiencing and sharing God's love for all people by generously serving Hudson and beyond.*

To Our Church Family,

In the up coming days, you will see Canterbury Farms on our campus preparing area for beautification from a grant from Pasco County. This grant gives our church \$50,000 worth of new landscaping to spruce up our campus.

Our out of pocket expenses will be approximately \$9000, part of which has been paid. Our obligation to the County for this grant is to maintain the plantings for a period of 5 years, which includes proper watering and care. Not all of the plants being installed come under the 5 year agreement, only specific ones required by the county.

Any expenses associated with the irrigation system goes toward our financial obligation. Canterbury Farms has provided renderings of the plantings and can be viewed on the bulletin board in the Administrative Office lobby as well as the screens in the Welcome Center. All plantings are salt tolerate for our area.

On the renderings, you will notice a line of shrubs and tress along US 19 between our drives and the sidewalk. This is mandated by the County and the purpose is to keep headlights from cars exiting at night from blinding drivers on US 19. In addition, all trees in front of the property are slow growing and were chosen specifically not to hide the church from view from US 19.

PROJECT TIME LINE: Tear out is scheduled to begin August 25th and planting will start on October 15th.

This Grant is a blessing for us and one we could not pass up. The amount which we have to pay for the visual appeal this will add to our campus is priceless!!

Serving With Gladness,

*Your Board of Trustees—*Chip Willaman, Greg Horton, Carol Hess, Bob Jakobson, Dean Kitchin, Herb Parks

KEEPING THE WINDOWS TO THE WORLD

HEALTHY - BY MELANIE CRAWFORD (NURSE'S PARISH)

It is interesting that one of the biggest health fears is blindness. Regular vision care can help stop that fear from becoming a reality. Regular checkups can keep our eyes healthy longer. Here are 8 things you can do to help protect your vision.

♦ **Find an eye doctor you can trust** – Ask friends or your insurance company. Ask how

often you need a dilated eye exam.

- ♦ **Add more movement to your day** - Physical activity can lower your risk for health conditions that can affect your vision.
- ♦ **Talk to your family about eye health history**- Glaucoma and age-related macular degeneration can run in families.
- ♦ **Eat Healthy** – Good foods can prevent diabetes or high blood pressure which in turn untreated can cause eye damage.
- ♦ **Wear sunglasses** even when its cloudy- UV Rays can harm your eyes.
- ♦ **Manage your diabetes and high blood pressure** – This helps lower your risk of vision loss.
- ♦ **Quit Smoking** – This can help lower the risk of macular degeneration and cataracts
